Attention: FDLE Recruits

Please call our office as quickly as possible to schedule your FDLE Physical exam. We offer appointments on Monday, Tuesday and Wednesday. You will be required to return 2 days after your examination for PPD check and form completion. **If you fail to keep an appointment, you will not be rescheduled.**

The cost for a FDLE physical in our office is \$285.00 (this fee includes lab work, EKG, and PPD). If additional labs are needed there will be an additional fee. We accept Cash or Visa/Master Card as forms of payment and all fees due at time of service. **We DO NOT accept checks as a form of payment.**

For your appointment: You are required to arrive 20 minutes prior to your scheduled appointment time!

- Please complete the top portion of all 3 pages prior to arrival in our office and bring paperwork with you to your appointment.
- If you use Creatine, PreWorkout or Protein supplements we ask that you stop these at least 7 days prior to your appointment as these can negatively affect lab values.
- Hydrate yourself well with water 24 hours prior to your appointment.
- Please make sure that you are able to provide a Urine Sample at your office visit.
- If you wear glasses or contact lenses, please bring them with you for your visual examination.

Recruits requiring additional forms signed within 6 months of FDLE exam will incur an additional fee of \$30.00. If additional forms needed and it is over 6 months since your FDLE exam, an office visit will be required with a fee \$80.00. If an entirely new FDLE Physical Examination is needed the fee is \$285.00.

We look forward to being able to assist you.
