We are on the web!

I want to thank those of you that were able to make our Correctional Graduation this past week at the Academy. It is always great to see those agencies and the command staff's that attend. We are off any running with our second Emergency Medical Technician program (EMT) on our site. The first class was a success and we currently have a waiting list for the second course.

As a reminder, the Lee County Fallen Officer Memorial ceremony will take place on Wednesday, May 18th at 9:00am The event will be held once again at Centennial Park, 2000 W. First Street, Ft. Myers. If time permits please come to remember our heroes and their family members.

Thank you again and if you have any questions, please do not hesitate to let us know.

LAW ENFORCEMENT

The 141st LE class will be finishing **Fundamentals of Patrol, Calls for Service, Criminal Investigations and Crime Scene to Courtroom**. A very busy month for them.

The 73rd CO to LE class will complete **Fundamentals of Patrol and Calls for Service** this month.

The 142nd LE class has completed **Legal** and will complete **First Aid, Firearms and Vehicle Operations** this month. Another very busy class.

Everything on the Law Enforcement side is looking very good. On any given day there will be as many as 90 LE students on campus.

We are taking applications for the 143rd LE class, which is scheduled to begin July 11th and applications for the 74th CO to LE class, which is scheduled to begin Sept. 12th.

As always, stop by when you have the opportunity and tour our campus. I think that you will be impressed with our students and faculty.
