We are on the web!
www.swfpsa.org

Over the past year the Academy has hosted several tours and events for our local business leaders and engagement clubs throughout Southwest Florida. Staff members from the Academy are available to speak to our local community leaders and potential students .

As we have started this year's State Legislative bills, please pay attention to the up-dates that are sent to each of you regarding any potential changes to our laws regarding Public Safety. Some of these could potentially change how we regulate and process in the near future.

Thank you again and if you have any questions, please do not hesitate to let us know.

LAW ENFORCEMENT

The 140th LE class is finishing up with **Traffic Crash Investigations** and will graduate here at the Academy on February 18th at 6 PM. I hope to see you there!

The 72nd CO to LE class is also finishing up with **Firearms** and will graduate here at the Academy on February 11th at 6 PM. Please turn out and show them you support their efforts.

The 141st LE class is moving right along and will be completing **Firearms** and **Vehicle Operations** and starting **Defensive Tactics** this month. They are showing promise and I think will be another great SWFPSA class.

The 73rd CO to LE class starts on February 22nd. There are twenty-two students signed up as of this writing.

Everything on the Law Enforcement side is looking very good. On any given day there will be as many as 90 LE students on campus.

As always, stop by when you have the opportunity and tour our campus. I think that you will be impressed with our students and faculty.

Jack Thomson, Law Enforcement Coordinator
