If you want to serve your community as a first responder, the Southwest Florida Public Service Academy is a place to consider receiving the training. The academy is comprised of four basic recruit training courses. The academy's main campus sits on 20 acres and has 13 buildings. There is also 7 satellite sites that are under the authority of the academy where training is conducted with our area law enforcement agencies and basic recruit classes throughout Southwest Florida.

As we prepare those students for a career in public safety, it is our goal to ensure each student receives the best training available and is successful in finding a career in their field of study.

At the Southwest Florida Public Service Academy, we are proud to serve each of our public safety partners and provide the training needed at the basic recruit level and the continuing advanced & specialized training needs.

Thank you again and if you have any questions, please do not hesitate to let us know.

## CRIMINAL JUSTICE ACADEMY

### LAW ENFORCEMENT

The 141st LE class had their graduation ceremony on May 31st at Dunbar High School. It was well attended and Dave Grossi gave another inspired commencement speech to the class.

The 73rd CO to LE class will complete *Critical Incidents* and *Traffic Stops* this month.

The 142nd LE class will complete *Interviewing and Report Writing*, *Fundamentals of Patrol*, *Calls for Service* and *Criminal Investigations* this month.

The 143rd LE class starts on July 11th and we already have thirty-eight enrolled.

The 144th LE class starts on September 12th and there are already twenty-two students enrolled.

The 74th CO to LE full-time Crossover class starts on July 18th and we are still hoping to put more students in that class.

The 75th CO to LE Crossover class is scheduled for a September 12th start and there are still seats left in that class.

Everything on the Law Enforcement side is looking very good. On any given day there will be as many as 95 LE students on campus.

As always, stop by when you have the opportunity and tour our campus. I think that you will be impressed with our students and faculty.

**Jack Thomson, Law Enforcement Coordinator**

### CORRECTIONS

Corrections class 144 began on May 9th with their *Physical Fitness Assessment* and finished the day with *Introduction to Corrections*. At this time they have completed *Introduction to corrections*, *Communications*, *Officer Safety and Facility and Equipment*. They are in the process of taking *Intake and Release* and *Defensive Tactics*.

Applications are available for Corrections Class 145 until June 24th.

As always I would like to thank all of the local agencies for their support.

**Robbie Martin, Corrections Coordinator**

# FIRE ACADEMY

High school fire class 1516 is completing their training. Class 1516 participated in their live fire evolutions for required training.

Class 1516 recently completed their FF1 testing and will be graduating next month.

EMT Class 1602 is continuing on with their training, moving into hospital and ride time.

The academy hosted an EVOC class for over 20 participants.

Jason Martin, Fire Academy Coordinator
