Phone: 239-334-3897 [www.swfpsa.org](http://www.swfpsa.org)  
Todd Everly, Academy Director

## [CastleBranch/DISA Information & Instructions](#)

Create an account at [mycb2.castlebranch.com](http://mycb2.castlebranch.com)

Once your account is created you will place the following 2 orders:

- a. **SV50emt** - Clinical Requirements Order \$49.99
- b. **SV50bgdt** - Background Check & Drug Test \$110.00

## [SWFPSA Health Report Instructions](#)

Print out the SWFPSA EMS Program Health Report

Have your physician or other healthcare provider complete and sign the form

Upload the completed, signed Health Report into CastleBranch.

*If your vaccines are all listed on the Health Report, please upload the same physical form to each specified vaccine upload button*

**Incomplete forms or missing documentation will cause delay or denial of your program application.**

## [Specific Requirements for Immunizations](#)

**Immunization records OR blood work must be submitted to CastleBranch**

### [MMR Rubeola \(Measles\), Rubella \(German Measles\), Mumps](#)

The acceptable evidence of immunity to measles, rubella, and mumps is as follows:

- (1) Documentation of two (2) MMR vaccines given on or after your first birthday and separated by 28 days or more OR
- (2) Laboratory evidence of positive immunity (blood work) - if immunity is negative/equivocal you will need a single booster vaccine OR
- (3) Birth before 1957

### [Varicella \(Chickenpox\)](#)

The acceptable evidence of immunity to varicella is as follows:

- (1) Documentation of two (2) Varicella vaccines given on or after your first birthday and separated by 28 days or more OR
- (2) Laboratory evidence of positive immunity (blood work) - if immunity is negative/equivocal you will need a single booster vaccine

### [Hepatitis B](#)

The acceptable evidence of immunity to hepatitis B is as follows:

- (1) Documentation of three (3) vaccines OR
- (2) Laboratory evidence of positive immunity (blood work) - if immunity is negative/equivocal you will need a single booster vaccine AND repeat blood work.

### [Hepatitis A](#)

Recommended but not required.

### [Tetanus-Pertussis \(TDap\)](#)

Documentation of one (1) vaccine - must be less than ten (10) years old

### [Tuberculosis \(TB/PPD/TST\)](#)

Documentation of a negative TB test - must be less than one (1) year old

Students with a recent or historical positive TB must have a chest x-ray (less than 1 year). Attach copy of the x-ray report from the evaluating healthcare provider indicating no active pulmonary disease is present. (Your TB test must remain current throughout the EMT program).

**IMPORTANT: NO student will be permitted into any field or clinical internship site(s) without a completed Health Report on file. Internship is a requirement for course and/or program completion. If a special exception is made for conditional acceptance, all requirements must be completed prior to internship. This is the recruit's responsibility. Failure to complete any requirement when the internship period begins will result in immediate course and/or program withdrawal without refund.**
